

**Articulation Agreement between
God's Bible School and College and The Institute for G.O.D. International**

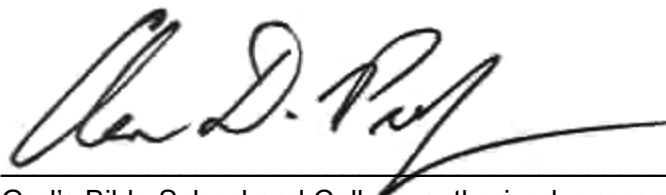

In an effort to continue with its mission to “glorify God and serve His Church by providing higher education centered in Holy Scripture and shaped by Wesleyan conviction,” God’s Bible School and College (GBSC) enters this articulation agreement with The Institute for G.O.D. International.

GBSC agrees to accept transfer credits as detailed in the Transfer Guide (below) into GBSC degree program(s) as listed in the Transfer Guide, provided the credits have a grade of C- or above. Students who complete fewer courses may still transfer under this agreement but may have additional GBSC coursework to complete. Similarly, students who complete more courses prior to transfer may reduce the amount of required GBSC coursework.

Students from The Institute for G.O.D. International seeking to enroll at GBSC under this agreement must meet all GBSC admissions requirements by applying to GBSC; admission to GBSC is not guaranteed by this agreement.

The Institute for G.O.D. International agrees to notify GBSC of any change in its accreditation status or other approval. The Institute for G.O.D. International may promote this agreement in any way it chooses, provided GBSC gives prior approval to any published (including electronically) material.

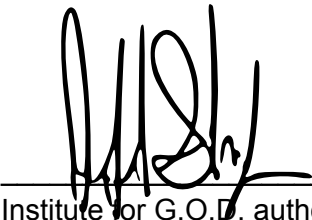

This agreement is valid for the academic year in which it is initiated. It automatically renews each year thereafter unless GBSC or The Institute for G.O.D. International gives the other institution written notice ending the agreement; in the case of such written notice being provided, the agreement will terminate after the academic year then underway.
